

MD Mahmudul Hasan

FULL STACK DEVELOPER

 Dinajpur, Bangladesh

I am qualified and professional full stack developer with 5+ years of experience. I am expert in using HTML, CSS, Bootstrap, jQuery, WordPress, PHP MySQL and Laravel.

Self-independent, reliable and friendly individual who works hard to achieve his goals.

I'm ready to help the company and my team to grow with my best skills. My future goal

is to become a great senior developer.
